A unique retreat for body and senses

Sweet Spa offers a romantic interlude, solo or with one of your beloved ones in absolute privacy. Enjoy the facilities and spend some enviable quality time, embracing a world of relaxation.

WELLNESS CIRCUITS

Four different choices based on the main wellness objectives.
Select your favourite circuit enhanced with cosmetics for a pleasurable self-treatment.
Fifteen minutes immersed in a steam bath with colours,
music and the emotional showers Rain and Breeze.

COLOURS

The colours diffuse through the steam, creating the atmosphere that best suits your mood.
The hidden light sources create thrilling effects without dispelling the sense of intimacy.

MUSIC

You may personalise your Sweet Spa with your own favourite music.
Additionally, each of the four different wellness circuits has its own
sound frequencies track aimed at enhancing the benefits of each circuit.

SHOWER

With ceiling shower head and wall hand shower, both run by a thermostat,
Sweet Spa offers comfortable showers alone or for two, immersed in
colour and accompanied by your favourite music.

STEAM BATH

The professional system provides a steam bath that reach 48°C and 98% relative humidity.
The steam is scented with eucalyptus that enhances its benefits.

EMOTIONAL SHOWERS

Sweet Spa offers the delicate emotions of Breeze, a bluecoloured mist with the fragrance
of mint, and Rain, an amber-coloured summer drizzle with the fragrance of maracuja.
